Re: E190 and A321 NX Door Trainer Malfunctions

Dear Liz,

This will confirm our discussions regarding Flight Attendants who were unable to complete differences training on either the E190 or A321 during recurrent CQ training due to equipment malfunctions.

Due to these special circumstances, on a one-time only, no cite no precedent basis, the Company agrees to pay five (5) hours of pay, no credit to the Flight Attendants listed on Attachment A that have successfully completed the required training as of July 31, 2019. This payment shall constitute full and final remedy in this matter.

Sincerely

Cindi Simone

Managing Director Labor Relations
