Employee understands that this General Release does not waive his/her right to testify in an administrative, legislative, or judicial proceeding concerning alleged criminal conduct or alleged sexual harassment on the part of the Company, or on the part of the agents or employees of the Company, when Employee has been required or requested to attend such a proceeding pursuant to a court order, subpoena, or written request from an administrative agency or the legislature.

## **Exhibit A: OWBPA Disclosure**

### **Business Rationale and Decisional Unit**

The global COVID-19 pandemic continues to negatively impact the airline industry. Unfortunately, we find ourselves in a situation similar to much of 2020. As we closed out last year with the successful extension of the Payroll Support Program (PSP), we fully believed that we would be looking at a summer schedule where we'd fly all of our airplanes and need the full strength of our team. Regrettably, that is no longer the case. The vaccine is not being distributed as quickly as any of us believed, and new restrictions on international travel that require customers to have a negative COVID-19 test have dampened demand.

We currently expect to fly 45% less in the first quarter compared to what we flew for the same period in 2019, and it appears we will not be flying all of our aircraft this summer as planned. Consequently, like last fall, we will have more team members than the schedule requires after federal payroll support expires April 1.

We again will offer a Voluntary Early Out Program (VEOP), as well as a voluntary leave program in an attempt to reduce our workforce.

This VEOP is available to certain employees stated in the eligibility criteria below working for the Company in the following working groups, which is the decisional unit for the VEOP:

- Flight Attendants
- M&R and Fleet Service
- Passenger Service and Reservations
- Dispatchers
- FCTI/SIMP
- FSE

### **Program Eligibility**

The VEOP is available to active U.S.-based represented mainline frontline team members with 10 or more years of workgroup seniority as of February 5, 2021, excluding pilots, who work within the decisional units stated above. Absent exceptions required by law, active status for the purpose of this VEOP is defined as a team member on payroll receiving pay from the Company, such as paid sick/vacation, salary continuance, a previously offered PVLOA or VLOA, FMLA, or military leave. Team members who are receiving severance continuation pursuant to a previous VEOP are not considered to be "active status" for purposes of this definition. Seniority is defined as follows:

- Flight Attendants: occupational seniority
- M&R and Fleet Service: classification seniority
- Passenger Service and Reservations: passenger service seniority
- Dispatchers: occupational seniority
- FCTI/SIMP: occupational seniority
- FSE: classification seniority

Eligible employees who receive and submit a VEOP application and are accepted by the Company

are eligible to receive VEOP benefits provided the employee signs, returns, and does not revoke the February 2021 Special Early Out Program Severance Agreement and General Release of Claims (Release). The Company reserves the right to reject applications for the VEOP and set or change the Separation Date based on the number of employees who apply for the VEOP, seniority of the employee, and the business needs of the Company.

#### Time Limits

Eligible employees who wish to volunteer for the VEOP have 21 days (February 5 – February 26, 2021) to submit an electronically signed application. Eligible employees have 45 days after receiving the VEOP information (February 5, 2021 – March 22, 2021) to submit an electronically signed Release. Employees have 7 days (15 in Minnesota) to revoke the signed Release. Employees who volunteer for the VEOP and are accepted by the Company, but who do not sign the Release or revoke the Release once signed, revoke participation in the VEOP. Once the Release is effective (after the revocation period has expired), employees cannot revoke participation in the VEOP.

#### Job Listing

Provided with this VEOP and Release is a chart showing the employees who are eligible and ineligible for the VEOP within the decisional unit by age and job title as of February 5, 2021. Employees are listed as “eligible” if they meet the above-stated eligibility criteria. Employees are listed as “ineligible” if they do not meet the above-stated eligibility criteria.
